

# Additional Sioux palm sanders

Use chart below to select other available Sioux Signature Series palm sanders. Please call for pricing. Our item numbers are shown (K3XXXX) in front of each different PSA or H & L (hook and loop) option.

Each of the four different diameter sanders is available with:

- different orbits: fine finishing orbit, standard, or coarse (coarse is not available in the 3" sanders)
- different vacuum options: no vacuum pick-up, remote vacuum hose attachments, or venturi hose and bag
- a pad for either PSA pressure sensitive adhesive sanding discs or Hook and loop (H & L) sanding discs
